ABOUT VENUE

Barcelona is one of the realm's most prevalent tourist objectives, enticing millions upon gazillions of sightseers annually. Barcelona is a splendid seaside capital that flourishes her beauty and sunny regime. Elegant scenery, awe-inspiring architecture, and fantastic cultural fascinations make for an irresistible destination. Undeniably, the mild Mediterranean mood adds to the charisma. It has several UNESCO listed tourist enticements.

"The charm in Spain's wealth" is Barcelona. Barcelona is the republic's second leading metropolis following Madrid, and hub of Catalonia, Spain's vastest province in positions of economic harvest. The province creates up 20% of Spain's GDP. Tourism is a significant part of the tale, but tech, shipment and business are also essential. Moreover, Barcelona punches above its influence globally. A review by EY observed that the capital is the fifth most alluring in Europe for global shareholders, after London, Paris, Amsterdam and Berlin, but thrashing Frankfurt, Madrid and Dublin. Cisco (CSCO) founded the aforementioned "Internet of Everything" innovation facility in Barcelona. Roughly 34% of all Spanish trades happen from Catalonia. And executive statistics reveal that a third of all Spanish exporters are established in Barcelona. A third of all overseas enterprises that work in Spain have opted Barcelona as their foundation, agreeing to the Catalan regime. Volkswagen (VLKAY) and Nissan (NSANF) equally have factories in the broader Barcelona territory.
