About ICCS 2020

We welcome your gracious presence at “**International Conference on Catalysis and Chemical Science**” scheduled in **Rome Italy** during **September 24-26, 2020**. **ICCS 2020** creates an international forum for Professors, Academics, Researchers, Scientists, Chemical Engineering Professionals and Business Entrepreneurs from all over the world to discuss the latest issues related to Catalysis and Chemical Science. **ICCS 2020** providing a right stage to present the recent research on catalysis leading to complex molecules, molecular catalysis, heterogeneous applications, green chemistry, organometallic catalysis and the use of catalysts for Chemical Engineering.

The theme of the conference is “**Advanced Research and Techniques on Catalysis and Chemical Science**” provides the unparalleled opportunity to explore the techniques on Catalysis. Our program includes plenary lectures, Keynote presentation, Oral presentation, Poster Presentation, Workshop, Symposia, and Panel discussions.

ICCS 2020 main aim is to gather and have valuable discussions in the field of catalysis and chemical science. These new innovations and presentations will help to establish a basic knowledge to all the representatives.

Hope you will take this opportunity to join us and visit the city of Rome.

Scientific Sessions:

- Petrochemical Engineering
- Green and Sustainable Chemistry
- Nuclear Chemistry / Radiochemistry
- Separation Processes in Chemical Technology
- Enzymes, Coenzymes and Metabolic Pathways
- Macrocyclic and Supramolecular chemistry
- Micro-emulsion Catalysis and Catalytic Cracking
- Chemical Synthesis and Catalysts Synthesis
- Organic & Inorganic Catalysis
- Surface Chemistry: Colloid and Surface aspects
- Organometallics, Organocatalysis and Bioinorganic Chemistry
- Biocatalysis and Biotransformation
- Advanced synthesis, Catalytic systems and new catalyst designing
- Environmental Catalysis
- Industrial Catalysis and Process Engineering
- Nano catalysis & Nano chemistry
- Heterogeneous Catalysis, Homogeneous catalysis and Molecular Catalysis
- Catalysis for Bio refineries
- Catalysis and Applications
- Chemical Kinetics and Fluid Mechanics
- Catalysis for renewable sources
- Photochemistry, Photobiology and Electrochemistry
- Catalysis and Zeolites
- Integrated Catalysis & Mechanisms
- Polymer Science and Engineering
- Advances in Catalysis and Chemical Engineering

Tentative Program

Day-1
Thursday
September 24,
2020

8:30 - 09:00	Registrations
9:00 - 09:30	Opening Ceremony and Introduction
9:30 -10:30	Keynote Sessions I
10:30-10:45	Group Photo and Networking breaks
10:45-12:45	Keynote Sessions II
12:45-13:30	Lunch Break
13:30- 14:30	Hands on Workshop
14:30-16:30	Conference Sessions I
16:30-17:00	Evening Break and Networking
17:00-18:00	Symposiums
18:00-18:30	Conference Sessions II

Day-2
Friday
September 25,
2020

9:30 – 10:30	Keynote Sessions III
10:30-10:45	Coffee Break
10:45-12:45	Keynote Sessions IV
12:45-13:30	Lunch Break
13:30- 14:30	Conference Sessions III
14:30-16:30	Young research forum
16:30-17:00	Evening Break and Networking
17:00-18:00	Poster Presentations

Day-3
Saturday
September 26,
2020

9:30 – 10:30	Keynote Sessions V
10:30-10:45	Coffee Break
10:45-12:45	Keynote Sessions VI
12:45-13:30	Lunch Break
13:30- 14:30	Conference sessions IV
14:30-16:30	Workshop/Symposium
16:30-17:00	Evening Break and Networking
17:00-18:00	Closing Ceremony

Testimonials

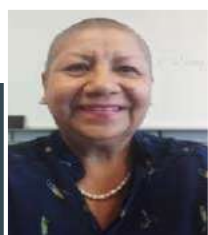

Subhash C. Minocha
University of New Hampshire,
USA

I really enjoyed the diversity of talks, the people and the chance to interact with scientists from the industry

C.A. Jayaprakas
ICAR-Central Tuber Crops
Research Institute, India

The conference was wonderful in terms of diversity and quality of topics and the arrangements of the conference were very good

**Marta Elva Ramírez
Guzmán**
Colegio de Postgraduados, Mexico

The congress was great, I enjoyed

Dolores Castaneda Antonio
Universidad Autónoma de Puebla
(BUAP), Mexico

My stay was excellent and your effort was fantastic so that everything went very well

Gabriela Romanciuc
Institute of Genetics, Physiology
and Plant Protection, Republic
of Moldova

It was very nice event and very interesting with many presentations with valuable scientific results

Carrinna Hansen
University of Copenhagen,
Denmark

Thank you very much for a nice and interesting conference in Valencia, I really enjoyed it!

Penny Daugherty
Northside Hospital Cancer
Institute, USA

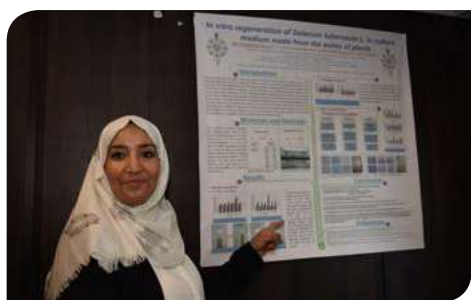

Thank YOU! For a wonderful experience. I met so many amazing people from all over the world and many of us bonded going forward. All the presentations were full of new and exciting things to hear and the hotel was just lovely. I enjoyed every minute

Elvessa Narvasa
Canadian Council of
Cardiovascular Nurses, Canada

Overall the Conference was a success. Interesting topics and excellent speakers.

About Rome

Rome is the capital of Italy and the largest and most populous city in the country and it is 3rd most visited city in Europe and the 11th most visited city in the world. Rome is a Unesco World Heritage Site and around 4 million visitors a year flock to the Italian capital to experience some of the most historic and cultural sites in the world, including: The Roman Forum, The Pantheon, The Colosseum, The Castel Sant' Angelo, St Peter's Square and Saint Peter's Basilica in the Vatican, the Trevi Fountain (Nearly 700,000 euros worth of coins are tossed into Rome's Trevi Fountain each year), the Spanish Square, the Altar of the Fatherland and the Fountain of Four Rivers created by Bernini. Modern Rome has more than 900 churches.

Benefits of Attending ICCS 2020:

- Global Networking: In transferring and exchanging Ideas
- Discuss quality initiatives that can be applied in the practice
- Discuss ways to collaborate in putting quality initiatives in place throughout the General Practice, Catalysis and Chemical science.
- Participants can gain direct access to a core audience of professionals and decision makers and can increase visibility through branding and networking at the conference
- Learn and discuss key news and challenges with senior level speakers.
- With presentations, panel discussions, round table discussions, and workshops, we cover every topic from top to bottom, from global macro issues to strategies to tactical issues.
- A Unique Opportunity for advertisers and sponsors at this International event.
- Presenting your Organisation's work on a Global Stage
- Eminent Keynotes Forum
- Interactive Poster Session
- New Places; New People

Registration

All participants, except non-attending co-authors, must pay the appropriate registration fee.

Category	Academia	Business
Only Registration	\$699	\$799
Poster Presentation	\$599	\$699
Delegate	\$499	\$599
Student Registration	\$399	\$399

To register online: <https://irisscientificgroup.com/conferences/catalysis-and-chemical-science/register/>

Registration Includes:

- Access to all scientific sessions, Poster sessions, Exhibitions and round table discussions
- Handbook & Conference Kit
- Certificate Accreditation from the Organizing Committee
- WiFi in meeting rooms
- Refreshments during the conference
- Lunch during the conference

Poster Presentation Includes:

- Includes all mentioned registration features
- Poster cards with number will be placed on the poster hall before one hour of the session start
- Each author will be provided with a 1 meter x 1 meter poster presenting area and mounting pins / stick-tape. Participants are responsible for mounting their posters during the presentation and in removing them as soon as the session ends.
- Best Poster awards will be announced during the closing ceremony of the conference.

Delegate Registration Includes:

- Access to all Scientific Sessions, Poster sessions, Exhibitions and round table discussions
- Lunch, tea/coffee breaks during the conference days
- Certificate Accreditation from the Organizing Committee
- WiFi in meeting rooms
- Delegates are not allowed to present their papers in Oral or Poster sessions.

Sponsorship

ICCS 2020 is dedicated to offer the most dynamic and inclusive conference featuring the latest innovation and advances in the field of Catalysis and Chemical Science.

Connect With Your Target Audience

Partnering with ICCS 2020 means more than making the right contacts; It means being connected to the right people with the right level of influence, and you are allied with a globally respected organizations and leaders in the Catalysis and Chemical Science.

Top Reasons to Become a Sponsor/Exhibit at ICCS 2020

- Increase brand awareness by sponsoring attendee favorites and must-attend events.
- Show your brand's strength to your competition.
- Multiple opportunities for professional networking, concept selling and brand positioning
- Meet new contacts and strengthen key relationships
- Engage in networking opportunities with attendees and speakers
- Increase awareness of your organization among influential Catalysis & Chemical Engineers
- Meet clients and new prospects face to face
- Involvement in ICCS 2020 is all about building brand awareness
