

World congress on

# Advanced Clinical Research and Biomarkers

---

September 09-10, 2020  
Budapest, Hungary

Theme:

Navigating the Future of Advanced Clinical Research and  
Clinical Trials

## Invitation

EuroSciCon is organizing meeting on World congress on Advanced Clinical Research and Biomarkers is scheduled from September 09-10, 2020 at Budapest, Hungary. EuroSciCon is the UK based independent life science Events Company with predominantly business and academic client base.

The 2020 meeting promises to be a dynamic and informative event and going to explore the issues on work related factors, innovations and integrated approaches towards ergonomics, the speakers are a multidisciplinary gathering of globally perceived specialists that speak on the Clinical research with a theme on ***Navigating the Future of Advanced Clinical Research and Clinical Trials!!***

This is 2-day Meeting and you can participate in a number of educational formats including General Sessions, Poster Presentations, and Workshops/Symposium, Meet-the-Professor Sessions, Oral Presentations and other interactive and informal exchanges.

Topics will cover the latest advances in Clinical Research, Biomarkers, Clinical Immunology & Clinical Oncology, Innovations In Clinical Trials & Research and many more...

We trust you will discover the Meeting beneficial, enlightening and agreeable. We want to thank all EuroSciCon Members and participants whose commitments and cooperation have been basic to the accomplishment of the association!!

## A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

September 09-10, 2020  
Budapest, Hungary

## Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

### **Our International Open Access Journals:**

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

### **Our International Scientific Conferences:**

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

### **Other salient features comprehend:**

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manuscripts in our Open Access Journals

With over 25000+ professors, scientists, doctors, medical practitioners, health workers, professionals, students, and industrialists accessing the website, EuroSciCon Advanced Clinical Research and Biomarkers 2020 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

### **Clinical Research 2020 Salient Features:**

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

*Congregate with most senior executives*

*Nurture connexions*

*Agenda format which incorporates ample Q&A time*

*Partake in our revamped exhibitor expo sessions*

*Meet and listen to the relevant clients*

*Unprecedented growth creating an unparalleled market place*

September 09-10, 2020  
Budapest, Hungary

### **How's EuroSciCon different?**

*Exercises your creative instincts with the live knowledge experience*

*It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries*

*Over 25 Million+ Visitors and 20000+ Unique Visitors per conference*

*World's leading industries and companies attend*

*Career guidance for early career researchers and students*

*Provides insights you need to take your research to the next level*

*A huge conclave of high tech and science priests*

## Who'd be attending?

EuroSciCon Conference on World congress on Advanced Clinical Research and Biomarkers plays host for the Multinational organizations, entrepreneurs across the globe, the researchers and academicians. Prominently Researchers, professionals,, Scientists, Students and others who stay plunged in learning and practice in the Clinical Research

### About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 19 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

### Scientific Sessions:

- Clinical Research
- Innovations in Clinical Trials & Research
- Pharmacovigilance & Drug Safety
- Clinical Trials
- Clinical and Experimental Dermatology
- Clinical Biotechnology & Clinical Bioinformatics
- Pediatric Clinical Research
- Clinical Chemistry
- Clinical research in Microbiology and Clinical Pathology
- Design of Clinical Studies & Clinical Trials
- Clinical Immunology & Clinical Oncology
- Clinical Cardiology & Clinical Psychology
- Clinical Toxicology
- Pharmacodynamics & Pharmacokinetics
- Clinical Studies in Drug Delivery
- Clinical Research in Nano Medicine
- Vaccine and Antibiotic clinical Research
- Clinical Nursing & Nutrition
- Public Health & Health Care
- Clinical Ethics and Clinical Statistics
- Latest technologies in Biomedical Research
- Clinical Trials in Developing Countries
- Clinical Trials on Different Diseases
- Bioethics and Regulatory Compliance
- Future of Clinical Trials
- Patient Recruiting & Retention

## About Destination Budapest

Budapest is the most populous city in Hungary, and the night largest city in Europe, which is bisected by River Danube. Budapest is one of the Europe's most impressive cities which is created when three cities are joined together Obuda, Buda, Pest. It is an historical and modern city, with history and culture around every corner of the city is just like a history lovers dream come true. It is an easy city to define cultures as they are completely dedicated to the arts.

Top attractive places to visit in Budapest: The city is covered with many famous tourist attractions like Chain bridge, Andrassy avenue, Margaret island, parliament, church of our Lady ( Mattihas church), Buda castle, dogany street synagogue, shoes on the danue bank and many other historical places which make visitors more captivated towards the city.

**CHAIN BRIDGE:** Both the Buda and Pest are connected by this bridge, which is one of the magnificent constructions in the city and had a lot of history to it.

**DOAHNY STREET SYNAGOGUE:** The great Synagogue in the Dohany street is a good starting point to learn about Budapest. Which is filled with jewish history and architecture. The synagogue at Budapest is the second largest in the world.

**CHURCH OF OUR LADY(MATTIHAS CHURCH):** Mattihas church is one the finest churches in Budapest, and the most unique churches in the Europe. Located atop the Buda Castle hill, it has been serving the citizens of the Buda Castle hill since 1015.

Continental Breakfast & Registration  
08:00–08:30 (All Attendees)  
Introductions & Welcome

08:30–09:00 (All Attendees)  
Opening Ceremony  
09:00–09:40 Plenary Talk-1  
09:40–10:20 Plenary Talk-2  
Refreshment and Networking Break  
10:40–12:30 General Session  
(Oral Presentation)  
12:30–13:30 Gala Lunch  
13:30–15:30 Keynote Talk 1, 2, 3  
Refreshment and Networking Break  
15:30–17:00 General Session  
(Oral Presentation)  
17:00–18:00 General Session  
(Oral Presentation)  
18:00–18:30 Networking Session

### Day 2

09:00–09:40 Plenary Talk 3  
09:40–10:20 Plenary Talk 4  
Refreshment and Networking Break  
10:20–12:30 Keynote 4, 5, 6  
Lunch Break  
12:30–13:30 General Session  
(Oral Presentation)  
13:30–15:30 Refreshment and Networking Break  
15:30–16:30 General Session  
(Oral Presentation)  
16:30–18:00 Poster Session  
18:00–18:30 Networking Session & Closing Ceremony

**Register Now!**

**Want to be a Part of the Leading  
Clinical Research in 2020?**

**Choose your Category:**

Academic **€460**

Business **€640**

Student Oral **€290**

**Package Registrations**

Deadline for abstract submission: **July 10, 2020**

September 09-10, 2020  
Budapest, Hungary

**EuroSciCon**
