Invitation

Dear Aspirants...

Bioleagues is delighted to welcome Nursing Science and Palliative Care professionals, researchers, experts, scholars, entrepreneurs, and others, from throughout the globe, to the 2nd Asia Pacific Conference on Nursing Science and Healthcare, scheduled to take place on the 25th & 26th of September 2020, in Colombo, Srilanka, and participate in this one-of-a-kind event. This International Conference on Nursing is a fabulous occasion for participants from multiversities and organizations across the globe, to interface with world-class specialists and nursing professionals. The 2nd Asia Pacific Conference on Nursing Science and Healthcare has especially been organized by Bioleagues, with the overall intention of joining young nurses, specialists, and academicians to present and distribute critical and modern knowledge in the constantly evolving fields of Nursing Science and Palliative Care. This conference on nursing in Italy essentially comprises a spectrum of subjects influencing modern Nursing Science, Palliative Care, and other associated areas of study. The innovative discoveries and exhibitions at this health care conference in Italy will assist in securing the fundamental knowledge base of all the delegates. If you are a nursing care or palliative care professional looking to improve your career prospects and expand your skill level then this life-changing international healthcare conference in Italy is just the event for you!

Purpose

The event will concentrate on the possibilities and hurdles presented by the hastened movement of global change and disruptive discovery on nursing training, study, and usage. The 2nd Asia Pacific Conference on Nursing Science and Health Care will serve as an occasion for nursing professionals to congregate and bestow know-how, education acquired, achievements, and barriers to producing sustainable nursing care and modern palliative care methods that are adaptive to evolution

About Colombo

Colombo is the gateway to Sri Lanka for most travellers, which is a principal port of the Indian Ocean, featuring a melting pot of races, religions and cultures. It is located on the west coastline of the island, just south of the Kelani River, which is also the administrative and judicial capital of Sri Lanka. It has one among the main artificial harbours within the world and deals with the majority of Sri Lanka's foreign trade. The city's manufacturing industries are depending upon the processing of raw materials exported through the port. The island's Buddhism, Hinduism, Islam and Christianity have led to many temples, mosques and churches which nowadays are great tourist draws
