Welcome to ICNH 2021

Dear colleagues and health care providers

My warm thanks to the Conference Management Committee of the United Research Forum for the opportunity of welcoming and addressing you. It is an honour and a privilege. I am grateful that we are gathered together in this prestigious institution, **The University of Manchester**, to exchange ideas on addressing the diversity of healthcare management worldwide especially in this critical juncture of our civilization where disease knows no borders. The conference will cover a wide spectrum of presentations related to **“Healthcare Management in Today’s Highly Interconnected World.”** It will feature internationally-renowned speakers who will share, discuss and dissect significant new developments and scientific advancements. They will also be sharing insights into cutting edge technologies that will impact the future of clinical trials and related fields.

We are looking forward to a highly productive meeting of great scientists and nurses from different countries around the world, which will be held at The University of Manchester, United Kingdom on March 23-24, 2021. I congratulate you for your commitment and active participation and wish you all the success.

Chairman, **ICNH – 2021**
United Research Forum.

About Host -UR Forum

WHO WE ARE?

We provide a platform to enhance the progress of Medical, Science and Technology globally. Our Conferences agenda is to provide an international exposure to Speakers, Delegates and Young Researchers through their research work and to enrich Scientific Community.

WHAT WE DO?

Conferences are about and for the people; we are building a reputation for generating and delivering inspirational conferences and executing them immaculately first time round. We believe on working hard to achieve the success.

MISSION AND VISION

UR Forum thrives to achieve, sustain and foster unmatched excellence in providing a solid platform to budding Research Scholars, Academicians and Professionals across the globe to showcase their talents, skills and knowledge. It portends to provide the participants to get acquainted with the latest developments, insights and trends in knowledge and skills, to explore and expound and reach the pinnacle in their career

Host City - Manchester, UK

Manchester is one of the most exciting places to visit in the UK right now where everybody and anybody are very warmly welcomed. Known throughout the world as the birthplace of the industrial revolution, Manchester has a proud history in science, politics, music, arts and sport. The city region is easily navigated, with great transport links both in and around Greater Manchester. And today the city combines this heritage with a progressive vision to be a city that delivers surprise and delight in equal measures. Manchester city centre is jam-packed with unique and eclectic restaurants, bars, shops, museums, galleries, hotels and places to stay whilst the surrounding Greater Manchester boroughs offer a patch-work of visitor experiences including quaint market towns, traditional pubs and beautiful green spaces and waterways to be explored on foot or bike. Furthermore, a packed calendar of world-class events and festivals – from the landmark Manchester International Festival to the enchanting Manchester Christmas Markets – mean there's always another reason to visit Manchester.

Nursing Forum Salient Features

CPD ACCREDITATION

Engaging in Continuing Professional Development ensures that both academic and practical qualifications do not become out-dated or obsolete; allowing individuals to continually 'up skill' or 're-skill' themselves, regardless of occupation, age or educational level.

GRANTS

The **UR Forum** bursar ship is intended to aid financial assistance to students, budding researchers, low income professionals and those from impoverished regions to attend a regional, national, or international conference. This aid helps students to pursue their desire of presenting their original work and research at UR FORUM.

MEMBERSHIP

UR Forum also offers multiple ranges of opportunities and services for its members which include professional networking at our annual international conferences, online access to proceedings, a bunch of Grants and Discounts on Annual Conference Registration.
