IGBC's **Online** Advanced Training Programme on **GREEN HOMES**

6 - 8 May, 2020 : from 1400 hrs to 1730 hrs

Indian Green Building Council (IGBC) Green Homes is the first rating programme developed in India, exclusively for the residential sector. It is based on accepted energy and environmental principles and strikes a balance between known established practices and emerging concepts. The system is designed to be comprehensive in scope, yet simple in operation. The objective of IGBC Green Homes® is to facilitate the effective use of site resources, water conservation, energy efficiency, handling of house-hold waste, optimum material utilization and design for healthy, comfortable & environmentally friendly homes
