Welcome Message!

On behalf of the **Organizing and Committee** we take great pleasure in welcoming academic scientists, researchers, research scholars, students and experts in application fields to **Prague, Czech Republic** for the **Materials Science and Nanoscience** conference to foster the progress in the field by contributing with your expertise to what promises to be a very comprehensive and exciting meeting, and to enjoy the immense unique artistic heritage and wonderful landscape of **Czech Republic**.

2nd Global Conference & Expo on Materials Science and Nanoscience (ISTMSN-2021), which will be held during **March 25-26, 2021** in **Prague, Czech Republic** is an international event, attracting global participant's intent on sharing, exchanging and exploring new avenues of Materials Science and Nanoscience and latest developments. The event will have 5-6 world level (Highly cited clauses) Keynote speakers, active and Invited speakers and fresh contributed speakers. In addition, variety of poster presentations along with workshops and special sessions would be interested in the audience.

About Conference:

The aim of the **ISTMSN-2021** is to promote quality research and real-world impact in an atmosphere of true international cooperation between scientists and engineers by bringing together again the world class researchers, International Communities and Industrial heads to discuss the latest developments and innovations in the fields of Materials Science and Nanoscience.

We sincerely hope that **ISTMSN-2021** serves as an international platform for meeting, researchers from around the world, widen professional contact and create new opportunities, including establishing new collaborations.

Don't miss to be a part of ISTMSN – 2021...!

Best Regards

ISTMSN- 2021

- 15:20 - 18:00 Speaker Session -C

Why Sponsor ?

- Be recognized as a forward-thinking company for technology and innovation and a key player in the growing industry.
- Enhance your reputation by association with market insight and thoughtleadership.
- Be seen by an active, targeted audience and have quality interactions before, during and after the event.

Why Exhibitor?

- Profile your products and services to key influencers and decision makers.
- Connect and deliver messages to other major organizations, operations and businesses.
- Generate leads and that robustly convert into sales.
- Drive your reach further.
