## About Ent 2020

Ent 2020 provides a vibrant platform for sharing knowledge among the ENT Specialists, Doctors and academicians focusing on the New Research and Treatments. The Webinar are designed for academia and industrial benefits who want to have updated knowledge on management and treatment techniques. The Webinar gathers expert surgeons in the world to share their experience and guide participants to explore advanced surgical techniques.

## Abstract Submission Topics

- Otolaryngology
- Head and Neck Oncology
- Pediatric ENT
- Rhinology and Allergy
- Laryngology
- Otology/ Neurotology
- Anesthesia in ENT Surgery
- Surgery for Nasal Disorders
- Obstructive Sleep Apnoea
- Medical Otorhinolaryngology
- Sinusitis
- Ear Disorders
- ENT Infectious Diseases
- Hearing Disorders
- Pediatric Otolaryngology
- Tinnitus
- Facial Plastic Surgery
- Nasal Disorders
- Current Diagnosis and Treatment in Otolaryngology
- Others

**Abstract Submission Open :**  
**June 01, 2020**

**Deadline for Abstract :**  
**October 25, 2020**

**Registration Opens :**  
**June 01, 2020**

**Deadline for Registrations :**  
**October 30, 2020**

## Call for Abstracts

The Ent 2020 invites abstracts related to the new scientific research in all the fields of Otolaryngology, ear and throat disorders its related aspects. Registrants are invited to submit an abstract for consideration for oral and poster presentation. In general we encourage more specific to the current research fields representing innovation and recent technologies. Abstracts received will be reviewed by scientific committee from aspirants and categorized as speaker talks and poster presentations.

### ► Why to join ?

- Meet Experts & Influencer Face to Face
- Networking Opportunities
- Learning In a New Space
- New Technologies
- Greater Focus
- Have Energy of Like-Minded Individuals
- Investing on Yourself & finally have Fun!

### ► Entrepreneur conclave

The conclave intends to encourage entrepreneurs and provide opportunity to showcase and connect with global scientific community and industry.

### ► Discussion

The right conference can be a game changer for your research and professional career. More importantly, This conversation brings the experts networking and create the goldmine of opportunities.

### ► Interactive Sessions

Workshop sessions involve extensive interaction between presenters and participants around an idea or hands-on experience of a practice. These sessions may also take the form of a crafted panel, staged conversation, dialogue or debate – all involving substantial interaction with the audience.

### ► Develop Networking with.....

- Industry leaders
- Product scientists
- Development managers
- C-level executive
- Academicians

### ► Unique Services

- University Promotions
- Organizational collaboration
- Recruitment Drives
- Technical Trainings
- Technical Workshops at your Universities
- Career development sessions
- Post Conference Networking
- Scientific Success sessions
- Exhibitor Talk / Sponsor Talk
- Themed Paper Presentations
- Focused Discussions
- One-Day Registration
- Business meetings / one to one meetings
- Webinars
- Customised Conferences

## Associated Journals

**Advanced Journal of Otolaryngology** is an open access, quarterly, multidisciplinary, peer reviewed journal of Larix publishing group which publishes clinical and medical studies related to Otolaryngology and focuses on topics that includes Rhinitis and Rhinosinusitis, Sinonasal Disorders, Common Cold, Nasal Disorders, Neurotology, Laryngology, Head, Neck and Oral Oncology, Sinusitis etc.

Larix International is a private limited company involved in publishing Open Access Science and medicine related journals. The company is run by a team of dedicated editors, reviewers and authors. Over the years, Larix has evolved into one of forerunner in the publishing industry around the world. We continue to lead through the visions of technology, people, and innovation.

The journal aims to publish most-advanced and rigorous scientific research related to the basic science and clinical aspects of the auditory and vestibular system and diseases of the ear. Singapore Journal of Otolaryngology publishes original research papers, review and mini- review articles, rapid communications, method/protocol and perspective articles. Advanced Journal of Otolaryngology provides authors with an open access option which allows your article to be freely available to read, download and share from the moment it publishes. Papers on comparative aspects of hearing and on effects of drugs and environmental contaminants on hearing function will also be considered. The journal is of primary importance for all scientists and practitioners interested in audiology, otology and neurotology, auditory neurosciences and related disciplines.

## GUIDELINES

### For Keynote/ Speaker

- All presentations should be in Microsoft PowerPoint format.
- Presentations as well as all audio visual material should be presented in only in English.
- Presentations should be submitted to Organizer at least 2 hours before the session Through Mail.
- Presentation Duration: 20 – 30 Minutes.
- Each Talk will be followed by Q & A.

### For Poster Presenters

- Font style: Arial/Times New Roman in a reasonable font size
- Contents: Poster should include Overview, Introduction, Methods, Results and Conclusions
- Presentation Duration: 10 – 15 Minutes
- Best Poster will be Accredited with certificate & official letter

### Benefits of Webinar

1. Recharge and Rethink
  2. Empower
  3. Prepare the team for future
  4. Unique team building experience
  5. More learning opportunities for your team
- For more details regarding the team discounts mail to the program manager

### Webinar Guidelines

- Deliver good audio quality.
- Define the transformation.

### Key Points

- Keep the energy and enthusiasm
- Manage questions strategically.
- Record evergreen content

## Book Your Slot

Speaker Registration	Earlybird Registrations	Midterm Registrations	On Date Registrations
Poster	\$ 99	\$ 149	\$ 199
Eposter	\$ 99	\$ 149	\$ 199
Student	\$ 199	\$ 249	\$ 299
Delegate	\$ 199	\$ 249	\$ 299
Speaker	\$ 299	\$ 349	\$ 399
Business	\$ 349	\$ 399	\$ 449

## YOUNG RESEARCHER AWARD

### Eligibility

- Young Investigators (e.g. Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty) are the focus of this event.
- The topic must fit into scientific sessions of the conference.
- Each individual participant is allowed to submit only one paper (10 slides, 15 minutes).
- None of the authors should have senior position or faculty position.
- Participants should be below the age of 30 years.
- All submissions must be in English.

### Benefits

- Showcase your research through oral presentations.
- Learn about career development and the latest research tools and technologies in your field.
- This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research.
- Develop a foundation for collaboration among young researchers.
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe.
- Interact and share ideas with both peers and mentors.
