# Paris Attractions

## Explore Paris

Paris is that the capital of France and could be a major European town and a world center for art, fashion, gastronomy, and culture. Its 19th-century cityscape is crisscross by wide boulevards and therefore the watercourse Seine. on the far side such landmarks because the tower and therefore the 12th-century, Gothic Notre-Dame cathedral, town is thought for its restaurant culture and designer boutiques. Paris has been one amongst Europe's major centers of finance, commerce, fashion, science, and therefore the arts.

Paris is usually stated because the town of sunshine, each thanks to its leading role throughout the Age of Enlightenment, and a lot of virtually as a result of Paris was one amongst the primary massive European cities to use gas street lighting on a grand scale on its boulevards and monuments.

The climate in Paris is typically gentle over four seasons Extreme cold or heat is pretty rare, however rain isn't. There are light showers in Paris that can come and go fast all day long. In terms of economy France is ranked as the world's ninth largest and the European Union's second largest economy by purchasing power parity.

Paris is each the political and economic capital of France. With a GDP of €649 billion, it accounted for half-hour of the wealth generated in France in 2014 and its weight within the overall French economy has enlarged in recent years.
