## About the Conference

Introduction of healthcare conferences

**International Conference on Oncology and Cancer Research**, France organized by Pencis group. Pencis takes the privilege to invite speakers, participants, students, delegates, and exhibitors from across the globe to its Global Conference on **International Conference on Oncology and Cancer Research** to be held in the beautiful city of Paris, France. International Conference on Oncology and Cancer Research conferences 2021 is a discussion of common healthcare-related issues and additionally trade information, share proof, thoughts, and insight into advanced developments in the healthcare service system. The focal point of Oncology conference 2021 is to bring forward discoveries, examine the system and strategic issues, assemble and keep forth basic systems between analysts, professionals, arrangement producers, and agents of healthcare Associations. Essential Oncology conferences 2021 put emphasis on its theme "Innovation through Information on Primary Healthcare" and intends to provide an impetus to health practice, administration, and training in connection to health inconsistencies and conjugation of other different points. Patients with access to a general essential care doctor have brought down general medicinal services cost than those without one, and Health results been better. International Conference on Oncology and Cancer Research is an opportunity to interact with specialists and to learn the latest healthcare information. The conference will be organized to bring together practitioners, administrators, policymakers, politicians, and researchers within the field of primary health care and public health.

**Theme:** **Exploring the Recent Research and Advancements in Oncology**

## Call for paper

## Call for Abstract/paper

Original Articles/papers are invited from Industry Persons, Scientist, Academician, Research Scholars, P.G. & U.G. Students for presentation in our International Conference. All articles/papers must be in MS-Word (.doc or .docx) format, including the title, authors name, affiliation of all authors, e-mail, abstract, keywords, Conclusion, Acknowledgment, and References.

## Submit Abstract

The Candidates with eligibility can click the "Submit Paper/Abstract Now" button and fill up the online submission form and Submit.
