

# 2<sup>nd</sup> International Conference on Climate Change - 2021

25<sup>th</sup> & 26<sup>th</sup> May 2021 | Malaysia

## Conference Theme

Research Tools and Approaches to Improve  
Effective Responses to Climate Change

**Organized by**  
BioLeagues Worldwide  
and

International Society of Environmental Relationship and Sustainability (ISERS)

## *Dear Aspirant*

BioLEAGUES and International Society of Environmental Relationship and Sustainability (ISERS) with great pride and honor announcing its **2<sup>nd</sup> International Conference on Climate Change** which is scheduled to take place on **May 25<sup>th</sup> and 26<sup>th</sup>, 2021 at Malaysia**. The theme of the 2<sup>nd</sup> International Conference on climate change conference is "Research Tools and Approaches to Improve Effective Responses to Climate Change". The professionals, domain experts, natural conversations specialists, climate change scientists, and a host of other professionals gather together on a common platform to facilitate the progression of the movement throughout the world, by bringing about the necessary change that has to take place for the world to truly and entirely adopt the motto.

## *Purpose*

This conference will serve as an interdisciplinary forum in which researchers will shed light on the most current discoveries in the Climate Change and Environmental Science field. It will also aid in developing connections between universities, the Industrial sector and researchers for prospective collaborations.

## *Reason to Attend*

- ✦ Associate with renowned global lecturers in the disciplines of Environmental Science
- ✦ To expand your knowledge and find solutions to problems
- ✦ Engage in distinguished enterprise organizations
- ✦ Learn about new innovative and investigation schemes
- ✦ Disseminate information about their contemporary examination conclusions through the medians of both verbal and banner exhibits
- ✦ Learn beyond your field or interest
- ✦ Proclaim their ground-breaking investigation conclusions in relevant Scopus Indexed editions
- ✦ Acquire motivation from extraordinary professionals
- ✦ Exhibit their expertise to intensify their professions
- ✦ Communicate with notable specialists in Climatology in 2<sup>nd</sup> International Conference on Climate Change to be held on the May 25<sup>th</sup> & 26<sup>th</sup>, 2021.

## *Who can attend?*

- ✦ Students
- ✦ Exhibitors
- ✦ Research scholars
- ✦ Government Officials
- ✦ Climatology Experts
- ✦ Environmental Engineering Consultants
- ✦ Academicians
- ✦ Scientists
- ✦ Research scholars
- ✦ NGOs'
- ✦ Industrialists

## *Conference Highlights*

- ✦ Climatology
- ✦ Environment science
- ✦ Oceanography
- ✦ Physical topography
- ✦ Ecological sciences
- ✦ Earth Science
- ✦ Non-renewable energy
- ✦ Geophysics
- ✦ Atmospheric physics
- ✦ Physical oceanography
- ✦ Global warming
- ✦ Biofuels
- ✦ Ozone layer depletion
- ✦ Carbon capture and storage
- ✦ Global Environmental Health
- ✦ Environmental Science and Technology
- ✦ Global environmental change and ecosystems management
- ✦ Water Resources Systems
- ✦ Isotope hydrology/hydrogeology
- ✦ Extremes: drought and flooding
- ✦ Organic Chemistry
- ✦ Chemical engineering end thermodynamics
- ✦ Environmental science and engineering
- ✦ Material Science and technology
- ✦ Chemical process and plant safety
- ✦ Fertilizer technology
- ✦ Petroleum technology
- ✦ Health Adaptation to Climate Change
- ✦ Weather-Related Morbidity and Mortality

## *Call for Paper*

- ✦ Climate change
- ✦ Global Warming
- ✦ Pollution
- ✦ Environmental Toxicology
- ✦ Waste Management
- ✦ Earth Science and Economy
- ✦ Advanced Biofuels
- ✦ Oceanography
- ✦ Natural Hazards
- ✦ Green Economy
- ✦ Climate Refugees
- ✦ Renewable Energy impact on Climate change
- ✦ Air Pollution and Health impact
- ✦ Health-related Vulnerability and Adaptation
- ✦ Public Health Impacts and risks of Climate change

## *Important Dates*

Abstract Submission	January 18 <sup>th</sup> , 2021
Early Bird Registration	February 01 <sup>st</sup> , 2021
Standard Registration	April 26 <sup>th</sup> , 2021
On spot Registration	May 25 <sup>th</sup> , 2021

# Registration Fee

Package Details	Early Bird	Standard Registration	Final Registration
Student	\$ 349	\$ 449	\$ 549
Academician	\$ 399	\$ 499	\$ 599
Industrial/ Corporate/ Professional	\$ 549	\$ 649	\$ 749
Video / Skype Presentation	\$ 149	\$ 179	\$ 179
Listener Registration	\$ 199	\$ 229	\$ 299
Poster Presentation	\$ 99	\$ 99	\$ 99
E-Poster Presentation	\$ 99	\$ 99	\$ 99
Accompanying Person	\$ 179	\$ 229	\$ 299

## Packages of Accomodation

Package A (1 Night)  
\$ 149

Package B (2 Nights)  
\$ 299

Package C (3 Nights)  
\$ 449

## *About Malaysia*

Malaysia may be a multicultural country with visitors regardless of their budget or what their idea of fun could be. Kuala Lumpur, the country's capital, may be a cosmopolitan city with amazing shopping and stunning architecture within blocks, you will find both the ultramodern PETRONAS Towers and variety of colonial palaces and buildings. Malaysia may be a Southeast Asian country occupying parts of the Malay Peninsula and therefore the island of Borneo. It's known for its beaches, rainforests and blend of Malay, Chinese, Indian and European cultural influences. The capital, Kuala Lumpur, is home to colonial buildings, busy shopping districts like Bukit Bintang and skyscrapers like the long-lasting, 451m-tall Petronas World Trade Centre.
