

PLENARENO

2ND DEPRESSION AND PSYCHIATRY CONFERENCE

Sep 27-28, 2021

Barcelona, Spain

“

IN THE FIGHT AGAINST DEPRESSION

Enhance the latest ideas and technologies...

With the success of Plenareno Depression and Psychiatry Conference held on July 13, 2020, the **2nd Edition of PDC 2021** has been scheduled on September 27-28 at Barcelona, Spain. At the PDC 2021, you'll have the unique opportunity to gather ideas from peers, seek advice from experts and discover solutions from leading Psychiatrists and Mental Health Practitioners.

An outstanding group of Advisory Committee Members and Speakers will anchor the Keynote and Plenary sessions, followed by Workshops & Poster Sessions which provides a great setting for discussion and feedback on emerging discoveries for all attendees.

- ▲ Learn from expert end-users in educational sessions
- ▲ Interactive workshops and special sessions
- ▲ Explore solutions from leading Psychiatrists
- ▲ Connect and share ideas during networking breaks & luncheons

PDC 2021 sessions and plenary-networking has been designed to maximize productive interaction and discuss the most recent research directions and to debate key questions in the fight against depression.

TESTIMONIALS

"I found the webinar very informative of high quality and exposing broad concepts about origin and treatment interventions for depression from a varied clinical and cultural perspective! Enjoyed it very much and look forward to future ones and am happy if invited again"

Georgiana Antoce, University of Queensland, Australia

"The quality of the presentations was superb, they were on a range of topics covering whole lifespan, and various fields in Neuroscience. Excellent organization to ensure such a truly International event runs smoothly without any glitches. Thanks for the opportunity"

Saqib Latif, American Center for Psychiatry & Neurology, UAE

"The conference was very well organized with people around the world. Exposures were very interesting and informing. Sure will attend next year as well"

Lorena Kostic, University of Zagreb, Croatia
