<https://publichealth.heraldmeetings.com>

After successful completion of 2nd International Conference on Public Health (Public Health 2020) and World Congress on Coronavirus and Diagnosis (COVID 2021 WEBINAR).

We are back again and Welcome to the **4th International Conference on Public Health and COVID-19 Management** (Public Health & COVID 2021) WEBINAR/Online Event will be held in the month of **August 25-26, 2021**. Over 200 public health nurses, professionals, and healthcare experts are expected to attend the two-day conference.

Theme: *Public Health Strategies for Prevention and Control of COVID-19*

Public Health & COVID 2021 will provide a wonderful opportunity for you to rejuvenate your knowledge base and explore the inventions in public health and health care management our Conference will endeavor to offer plenty of networking opportunities and also providing you with the opportunity to meet and interact with the leading researchers & scientists, as well as sponsors and exhibitors and It aims to promote awareness and enhance research aiming in emerging solutions for the various public health challenges come across. And then there are our peers...the chances to get to know & learn from each other during networking breaks.

Why to Attend?

Public Health & COVID 2021 webinar is a fantastic occasion to reach the largest accumulation of participants from the Public Health and Health care community. Conduct presentations, allocate information, meet with current and potential scientists, and make a splash with new expansions in Public Health, Health care and COVID-19. World-renowned speakers, the most recent methods, advances, and the latest updates in **Public Health and COVID-19** are hallmarks of this conference.

Yours Sincerely

Public Health & COVID 2021 Webinar
