### ***Illuminati: The Secret Society That Hijacked the World***

***by award-winning journalist and author Jim Marrs shines a light on the history, workings, continuing influence, and pernicious and hidden power of this secret order.***

***Surveying experts—from those who dismiss the Illuminati as a short-lived group of little consequence to skeptics who dare question the government's accounts and pronouncements—Marrs cuts through the wild speculation and the attempts to silence critical thinkers to tell the true story of this secret cabal. Gnosticism, mystery schools, the Roshaniya, Knights Templar, assassins, Rosicrucians, Skull and Bones, Knights of Malta, whistle blowers, the revolutions in France, Russia, and America, and the structure, symbols, and theology of the Illuminati are all covered.***

***Marrs takes a broad look at the group and their workings, investigating their origin as “The Ancient and Illuminated Seers of Bavaria,” the depiction on the United States one-dollar bill of an all-seeing eye and pyramid on the reverse of the Great Seal of the United States, and the Protocols—or procedures—for usurping national governments and gaining world domination, as well as the Illuminati symbolism found in today's international corporate logos. Wealth, power, and intrigue come together in this in-depth exposé on the Illuminati, their history, connections to influential people, and their place in modern America.***

***“The 66 Laws of the Illuminati: Secrets of Success,” written by The House of Illuminati, provides the blueprint and tenets required for personal success***

***The House of Illuminati, known around the world as “The Illuminati,” has broken years of silence with this publication. The Illuminati has made known its “Laws” which they indicate are the secrets of success for anyone who embarks upon the path of Light. Organized in six chapters, the book begins with “Chapter 1: The 66 Laws.” Chapter 1 details the sixty-six rules of life suggested by the Illuminati as a guaranteed guide to success. The Laws are age-old, proverbial wisdom which typically sheds light on a principle of good character. Each of the Laws is followed by a Lesson that gives further clarity; insight, meaning, and commentary to help the reader better understand how to apply the Law. Chapter 2, “A Letter to the Youth of the Present Age,” is a letter written by the Illuminati to the youth of the 21st century. It is a passionate epistle in response to comments made by rap artist Jav-Z and negative, inaccurate rumors***

## **The Book of Forbidden Knowledge: Black Magic, Superstition, Charms, and Divination Paperback – September 16, 2016**

**This work is one of a number of manuscripts crafted towards the end of the 1800s well into the 1920s containing material related to all aspects of the occult; mesmerism, ceremonial magic, the black arts, talismans, and more. What is interesting, here, is that all of the above and more are contained in one work, instead of separately. Speaking of everything from fortune telling to folk healing, the Book of Forbidden Knowledge is perhaps better classed as a modern grimoire than most contemporary works of similar origin; the paper covers of any of a number of competing Victorian and Edwardian era titles.**
