PMB
2021

ABOUT PMB 2021:

Hazel Group successfully completed the Second edition of Plant and Molecular Biology was organized during October 23-25, 2019 at Amsterdam, Netherlands. Following the overwhelming success of PMB 2019, we take pleasure to announce The 3rd International Conference on Plant and Molecular Biology (PMB 2021) has been scheduled during March 18-20, 2021 at Prague, Czech Republic. With indeed focus on the essential progression of developments and advancements through latest upfront plant research and practice.

This meeting includes several interactive sessions specifically designed for highly acclaimed educational activity which has been considered one of the predominant meetings on this subject. The objective of the Plant Conference-2021 is to reinforce the Interdisciplinary Approach for Innovation & Invention in Plant Science Research , Abstracts must contain original research data collected by the author(s). Presentations will be elected based upon their articulation, design and other characteristics, which cover wider aspects of

plant science research as well as its policies related within the themes. The conference enhanced through the provision of an interactive keynote, workshops, oral, and poster presentation sessions. Each Individual presenter will be assigned with 30 minutes time duration to express his/her research experiences followed by an interactive discussion led by leading authorities.

The committee aims to create a friendly, warm network environment among participants which makes it easy to interact other colleges/attendee to connect with each other and share their ideas and establish the foundation for future vision and development. We look forward to meeting all of you in Prague.

SPONSORSHIP & EXHIBITION

Who we are?

The Hazel Group organizes worldwide conferences to grandstand several opportunities for academia, Industries & freelancers to demonstrate their cutting-edge basic and applied research outcomes within life sciences including medicine and other diverse role of science and technology in society. We offer several opportunities for sponsors, exhibitors to demonstrate their new trends and technologies that enhance scientific research.

What you can grab from PMB?

- PMB is not just about R&E networking and technology, it's also about people networking.
- It provides a chance for experts from around the globe to meet and catch up with old friends and colleagues and make new connections.
- This year on the evening, PMB will host a kick-off party for all attendees.
- This will be an ideal opportunity for
- sponsors to raise their profile with hundreds of people in one lively social event.
