Oncology in India

After Infant Mortality Rate (IMR), Odisha has performed better in another health index. It has recorded fewer incidences of cancer cases and mortality rate compared to developed States like Maharashtra, Tamil Nadu, Karnataka, Gujarat, and Rajasthan. According to National Centre for Disease Informatics and Research (NCDIR), an institute under Indian Council of Medical Research (ICMR), of 49,674 persons detected with cancer in Odisha, 25,035 had died of the deadly disease in 2016.

While 41,848 people succumbed to the disease of 82,836 incidences in Rajasthan, 37,182 died of 73,551 cases in Gujarat during the same period. Similarly, of 1,32,726 cancer cases, 67,035 died in Maharashtra; of 80,999 cases, 40,796 died in Tamil Nadu and of 73,511 cases, 37,052 died in Karnataka. There is no population-based cancer registry in Odisha. This paper highlights patterns of cancer at Acharya Harihar Regional Cancer Centre (AHRCC).

Welcome Message

Dear Colleagues & Fellow Researchers,

After the great success of Indo-Oncology Summit in the years 2018 and 2019. It is my immense pleasure to welcome you all to the 3rd Indo-oncology Summit which is scheduled during September 25th and 26th, 2021 at Bhubaneswar, India.

Keeping in consideration of safety during the outbreak of novel corona virus in 2020, we had collaborated with several reputed oncologists across India and spread the awareness of cancer through webinars. As a healthcare professional and responsible citizen, we ensured that each and everyone stayed at home safe by extending the 3rd IOS 2020.

After the successful survival in the pandemic. This year International Association of Oncology will be discussing on the Research & Innovation in Clinical & Medical Oncology at this platform. It will be a platform of Oncologists, Scientists, Researchers and Other allied healthcare professionals from across the globe sharing their expertise.

Looking forward to each one of your contribution to make the 3rd Indo-Oncology Summit a grand success.

Let us break the chains and join hands to make a cancer free nation!
