ABOUT THE CONFERENCE

The 4th International Conference on Intelligent Communication Technologies and Virtual Mobile Networks (ICICV 2022) aims to bring together leading academic scientists, researchers and research scholars to exchange and share their experiences, the state of the art and practice of cloud computing, identify emerging research topics, communication technologies and define the future of intelligent communication approaches, cloud computing and research results about all aspects of Engineering Technology and Innovation. All topics regarding cloud computing align with the theme of Virtual Mobile Cloud and Communication Technologies. Such applications will have incredible impacts on almost every feature of our daily life, including transportation, e-commerce, healthcare, safety and location privacy, smart home and smart city, social interaction, and many more. We will celebrate our 2021 version of gathering, to strive to advance the largest international professional forum on virtual mobile cloud computing and communication technologies.

ABOUT THE COLLEGE

The Francis Xavier Engineering College popularly known as FX Engineering College, was established in the year 2000 with the vision to empower budding engineers in technical and entrepreneurial training and to contribute to the socio- economic augmentation of the nation. The college is located the heart of the city of Tirunelveli heralded worldwide as the Oxford of South India, and is well connected by Road, Rail and Air. Our Vision is "To provide education in Engineering with excellence and ethics and to reach the unreached".

CALL FOR PAPER

Intelligent Communications Technologies

- Advanced 5G/6G Network Architectures
- Intelligent Communication Environments
- Internet of Things [IoT]
- Communication Security, Standards, and Applications
- Artificial Intelligence and Human Computer Interaction Models
- Millimetre and Terahertz Communications
- Big Data Mining and Data-Driven Communication Models
- Collaborative Communication Models
- Security, Privacy and Trust

Communication Technologies

- Social Interaction and Mobile Communications
- Internet Virtualization and Cloud
- Machine Learning and Wireless Communication Research
- Wearable Computing and Communication Models
- Virtual Reality and Extended Reality Models
- Ubiquitous Computing and Communication Techniques
- Cooperative and Cognitive Virtual Networks
- Network Traffic Analysis and Modelling
- Next-Generation Adaptable and Automated Virtual Networks

ORGANIZING COMMITTEE

Chief Patrons
Dr. S. Cletus Babu,
Founder & Chairman,
SCAD Group of Institutions, India.

Dr. X. Amali Cletus,
Vice Chairperson,
SCAD Group of Institutions, India.

Er. C. Arun Babu,
Managing Director,
SCAD Group of Institutions, India.

Patrons
Dr. K. Jeyakumar,
Professor & General Manager (Development)
SCAD Group of Institutions,
Tirunelveli, India.

Dr. V. Velmurugan,
Principal,
Francis Xavier Engineering College,
Tirunelveli-627003,
Tamil Nadu, India.

Conference Chair
Dr. G. Rajakumar,
Professor,
Department of Electronics and Communication Engineering,
Francis Xavier Engineering College,
Tirunelveli-627003, Tamil Nadu, India.
