

Intention of the Workshop

We have partnered with "Diverse Brains Life Solutions LLP, Chennai" whose aim is to spread the current, future Industry trends among faculty members and improve employability of students.

We have designed an interactive workshop along with hands-on problem-solving session. You will have the opportunity to learn from Industry specialists who have delivered several real world Digital Application Experiences.

For participating students:

- Workshop improves learning outcomes and enthusiasm around Mobile Development.
- Create incredible mobile apps with the web technologies you love.

For faculty:

- The Workshop model provides an innovative and collaborative approach to teaching.
