The Seventh International Conference on Digital Information and Communication Technology and Applications (DICTAP2017)

June 29 - July 1, 2017 » Slovakia

Comenius University at Bratislava

All registered papers will be published in SDIWC Digital Library

SDIWC

You are invited to participate in The Seventh International Conference on Digital Information and Communication Technology and Applications (DICTAP2017) that will be held in Slovakia, on June 29 - July 1, 2017. The event will be held over three days, with presentations delivered by researchers from the international community, including presentations from keynote speakers and state-of-the-art lectures.

Security in Information and Telecommunication System
Communication Protocols, Communication Systems
Network Systems and Devices
Network Management Techniques
Wireless and Optical Communications
Telecommunication Business & Regulation
Algorithms, Architecture, and Infrastructures
Modeling, Algorithm, and Optimization
Information Content Security
Information Theory, System, and Technology
Cloud Computing and Computer Networks
Scientific Computing and Multimedia Processing
Sensor Networks and Embedded System
Transmission, Antenna & Propagation
E-Learning, E-Commerce, E-Business and E-Government
Artificial Intelligence and Decision Support Systems
Data Exchange Issues and Supply Chain
Data Life Cycle in Products and Processes
Information Retrieval
Information Visualization
Web Services, Web based Application
Web Metrics and its Applications
Data Grids, Data and Information Quality
Data Models for Production Systems and Services
Data Warehouses and Data Mining
Ubiquitous Systems
Semantic Web, Ontologies and Rules

Data, Text, and Web Content Mining
Image Analysis and Image Processing
Multimedia and Interactive Multimedia
Management and Diffusion of Multimedia Applications
Case Studies on Data Management, Monitoring and Analysis
Mobile, Ad Hoc and Sensor Network Security
Mobile Data Management
Networks Security, Encryption and Cryptography
Knowledge Management
Peer to Peer Data Management
Compression and Coding
Natural Language Processing
XML and other extensible languages
Human-Computer Interaction
Intelligent and Robust System
Distributed Information Systems
ICT for Social and Humanity
Video Search and Video Mining
Computer Graphics
Enterprise Computing
Soft Computing
Web Mining including Web Intelligence and Web 3.0
Temporal and Spatial Databases
Security and Access Control
Digital Rights Management
Constraint Programming
Quality of Service Issues

Important Dates

Submission Deadline: Open from now until May 01, 2017
Notification of Acceptance: May 20, 2017 or 4-7 weeks from the submission date
Camera Ready Submission: Open from now until May 28, 2017
Registration Deadline: Open from now until May 28, 2017
Conference Dates: June 29 - July 1, 2017
