

Experience Oktoberfest of Munich in Gurgaon

7 Degrees Brauhaus, being the only authentic German microbrewery in Delhi-NCR will continue to follow its tradition as it will be hosting the greatest beer festival in India - Oktoberfest '16.

Now first let's throw some light on what really happens at the Oktoberfest in Germany. Well, we've all heard that nobody drinks beer like the Germans do. But did you know, every year during the Oktoberfest, about millions of gallons of beer is consumed? Yes, MILLIONS! The Theresienwiese fairground (where the fest is held) comes alive with insane rides, dancing, pretzels, wurst & tons of brew! Then there's the triple-loop roller coaster, considered as one of the wildest rides on earth and best enjoyed before you start drinking!

Lovely, right? Now, what if we told you that you can actually experience all of that (minus the rides), right here, in your city - Gurgaon? 7 Degrees Brauhaus will be hosting the Oktoberfest starting this 17th September till October 3rd at South Point Mall, Golf Course Road, Gurgaon. There will be games, in-house activities, music, dance, exotic german delicacies and of course, thousands of litres of freshly brewed beer!

Talking about Oktoberfest '16, we kick-start the festival in the presence of the honorable German delegates from the German Embassy. As soon as the words "O'zapft is!" (The keg has been tapped) are yelled, the festival kicks off in an insane fashion. We plan to host live rock bands & jazz artists during the fest along with a themed party almost every other night. Apart from the scrumptious, rare delicacies from Munich and of course the authentic German brew, there will be many contests held at the venue and online. There are gonna be everyday offers for our customers to give them a never-before experience while we also plan to give away hundreds of prizes to the winners of our contests and will also feature them on our social media platforms with their consent.

If you've never been a part of this festival before, we strongly suggest you visit us and experience what it's like to drink beer the German way. Every year, we ensure that our restaurant resonates with the original festival held at Munich by decorating our place with an epic Bavarian theme. The foot-tapping music, lip-smacking food, handcrafted special beer, crazy drinking contests with hundreds of prizes to be won - this is our Oktoberfest in a gist where we intend to bring Munich closer than you think it is. But the question is - will we see you there?
