Deadline of New Full Paper/Poster/Abstract Submissions: Oct. 25, 2016

The aim objective of International Conference on Environmental Engineering, Transport and Renewable Energy (EETRE-2016) is to provide a platform for researchers, engineers, academicians as well as industrial Professionals from all over the world to present their research results and development activities in Environmental Engineering, Transport and Renewable Energy. The conference will be held in Singapore During Dec. 7-8, 2016. This conference provides opportunities for the delegates to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration. The conference is sponsored by Emirates Research Publishing (ERPUB). All the submitted conference papers will be peer reviewed by the program/technical committees of the Conference.

The Proceedings of the Conference will be published by Emirates Research Publishing (ERPUB) and will be archived in ERPUB's Digital Library. Each Paper will be assigned Digital Object Identifier (DOI) from CROSSREF. The papers will be published in the hardcopy of Proceedings as well as conference CD with ISBN number and the same will be provided at the time of the conference. Later, the Proceedings of the conferences will be submitted to ISI Thomson/SCOPUS for review and possible indexing. In addition the proceedings will be indexed at Google and Google Scholar google.com and all major search engines.

One Excellent Paper will be selected from each oral session. The Certificate for Excellent Papers will be awarded after each session of the conference
