

# International Conference on Innovations in Engineering and Technology (ICIET-17) March 22-23, 2017 at London (UK).

## March 22-23, 2017 at London (UK)

**Paper Submission Dates is Dec. 2, 2016**

Welcome to the official website of the International Conference on Innovations in Engineering and Technology (ICIET-17) that will be held during March 22-23, 2017 at London (UK). The primary goal of the conference is to promote research and developmental activities in Intelligent Computing, Electronics Systems and Information Technology. Another goal is to promote scientific information interchange between researchers, developers, engineers, students, and practitioners of different parts of the world. The conference will be held regularly to make it an ideal platform for people to share views and experiences in Data Mining, Image Processing, Computer and Electronics Engineering as well as in related fields. The proceedings of the Conference will be published by IAE Press.

- ❖ Each Paper will be assigned Digital Object Identifier(DOI) from CROSSREF.
- ❖ The proceeding will be submitted to CNKI, Google Scholar, Google, DOAJ, Citeseer for Indexing
- ❖ The Proceeding will also be submitted to ISI Thomson for review and indexing.
- ❖ The Printed Proceedings will be published with ISBN Numbers.
- ❖ The Proceeding will be archived in IAE-Press's Digital Library.
- ❖ One Excellent Paper will be selected from each oral session.
