### One Day Tour in Bali

Bali, the famed Island of the Gods, with its varied landscape of hills and mountains, rugged coastlines and sandy beaches, lush rice terraces and barren volcanic hillsides all providing a picturesque backdrop to its colourful, deeply spiritual and unique culture, stakes a serious claim to be paradise on earth. Bali island is free visa application for most of countries so as to make travellers from all over the world more convenient. The conference committee will arrange one day tour for participants on April 3, 2017.
