OBJECTIVE OF THE CONFERENCE

The objective of this conference is to enable the researchers, academicians and students to exhibit their latest findings and also to provide a forum for the transfer and dissemination of new ideas and technology among all those concerned in the field of Computer Science, Information Technologies and Electronics.

CALL FOR TECHNICAL PAPERS

Researchers, Academicians and Students are invited to submit their papers on the following domains:

- Distributed Computing
- Mobile Technologies
- Soft Computing
- Pervasive Computing
- High Performance Computing
- Grid Computing
- Enterprise Computing
- Evolutionary Computation
- Data Mining
- Web Technology
- Software Testing
- Quantum Computing
- Wireless Networks
- Software Security
- Optimization Techniques
- Engineering Applications
- Open Source Technologies
- Signal Processing
- Modeling and Simulation
- Embedded Systems
- Expert Systems
- Image Processing

Note: All accepted and presented papers will be published in *International Scientific global Journal in Engineering Science and Applied Research (ISGJESAR) with* **ISSN-2456-1894**

REGISTRATION FEE

Details	Amount
Registration Fee	Rs.1000/-(Includes the proceedings, refreshment and Lunch)
